THE LIST OF THE DEAD.

Over Four Thousand People Are Recorded by The Post.

The work of securing a complete and accurate list of the deaths at Galveston by the fearful storm that wiecked that city a week ago, has resulted in a total of 4,203 being recorded in The Post's columns this morning. A few names have been repeated in the list, and perhaps some errors made; but the total is an appalling one, nevertheless. That at least 5,000 people perished in the disaster is now a certainty. ······

A HEALTHY MOTHER AND CHILD

Mrs. E. E. Thomas, Wheeling, Mo.

Mrs. E. E. Thomas, Wheeling, Mo.

Mrs. E. E. Thomas writes, "I had been dectoring for several years, but kept getting worse. One day a neighbor woman brought me your book, The ills of Life, and wanted me to take your medicine. I told her that I had given up all hope of ever getting well—I had tried so much medicine. My neighbors thought I was nearly dead with consumption. Finally I concluded that I would make a last trial. So my husband got me a bottle of Peruna and Manalia.

"I commenced taking them according to directions. That was two years ago. A year ago last November I gave birth to a 10-pound baby boy, who is well and hearty; and I am doing my own housework. I can never give Peruna too great praise."

never give Peruna too great praise." Mrs. L. M. Griffith writes from Orifin o, Neb.: "Your Peruna dideme a wonderful amount of good. It cured me of barrenness. I am 30 years old and had never borne any children; but since beginning your medicine I gave birth to a 0-pound baby girl. She is now six months old and weighs twenty-five pounds. I am stronger than I have been six o I was quite young. God bless you medicine forever. I can not tell all. I never saw or heard

of any thing half so goed. I can never thank you enough for yourskindness. In cases of la grippe it works like a charm. It cured my baby."

Peruna is a specific for pelvic catarrh. Any woman suffering from any form of pelvic trouble can consult Dr. Hartman free of charge. Dr. Hartman is treating thousands of women for diseases peculiar to their sex with universal success. "Health and Beauty," written especially for women, sent free by addressing Dr. Hartman, Columbus, Ohio.

THE SYSTEM OF RELIEF

Ing estimated logses of cities and counties from the storm, Hempstead's loss was rated at \$20,000 and Waller county's as \$160,000. This centimate is smirrely too low; in not a time of what we have nuffered. From careful estimates and reports from our merchants and property owners, from the stricken towns of Waller, Brockshire, Pattison and others, and from artisans who are engaged in an effort to repair at least temporarily some of the believe that Waller county will suffer to the wirent of nearly \$10,000 and waller county will suffer to the wirent of nearly \$10,000 and that the president of the chamber be authorized to appoint accommittee of sixty. This includes property destroyed, merchancing and insurance of relief, and take an alopt that waller county will suffer to the wirent of nearly \$100,000, This includes property destroyed, merchancing and farms ravisited and losses of live stock. Our estimate is based more upon as the appalling disaster imperatively destroyed. The stock of the cellmate is based more upon as the appalling disaster imperatively destroyed.
